

# The Whiskeytown Lake

..... Spring Sailing Series .....

**8 Weeks, March 26th thru May 14th**

Starting March 26th and running thru May 14th, every Saturday at 11am will be a Skippers Meeting at the Sailing Center at Brandy Creek Marina. We will choose a course depending on the conditions, then at noon we will have a start at the east end of the island out in front of the marina.

This is a fun sailing series with no scores kept and no ratings. The goal is to finish the course and hone your sailing skills.

Open to all sailboats that show up for some fun sailing with others who enjoy our beautiful lake.
